Count the savings in time and money! The Prime Time Series mantels are available in primed MDF. MDF - Medium Density Fiberboard - is made from wood fibers and is a great low cost alternative to wood. Its hard surface resists dents and scratches and its low cost will save you money on your painted applications. The Prime Time Series is also available in paint grade poplar and red oak for staining. Each mantel is available in four standard sizes with 1" returns. Larger returns are available.
